**PARENT/GUARDIAN PERMISSION FORM**

Through this project, the Morrison County Historical Society (MCHS) is collecting essays (mini memoirs) of between 200 and 1,000 words from current and former residents of Morrison County so that we may add to our understanding of county history. Those who submit essays to the project can choose their own topics related to identity, jobs, hobbies, or life tasks. (Examples: What's it like [to ride a bike] in Morrison County? or What's it like [to be a student] in Morrison County? or What's it like [to take care of a hamster] in Morrison County?)

Essays submitted to the project will be posted online at the "What's It Like [ . . . ] in Morrison County, Minnesota?" blog at <http://morrisoncountyhistory.org/whatsitlike/>. They will also be kept on file at The Charles A. Weyerhaeuser Memorial Museum in Little Falls, MN.

Demographic information (name, contact info, birth date, birth place, gender, dates essay writer lived in Morrison County, and essay date) will be collected for the project so that MCHS has context for the history of each essay. Specific demographic data will not be posted online, but it will be kept on file with each essay at the Weyerhaeuser Museum.

Adult essay writers can choose how they want to be identified for their online posts - by full name, by first name and initial of last name, by initials only, or as "Anonymous."

Essay writers who are minors (those younger than 18) will only be listed online by initials or as "Anonymous." Prior to a minor's essay being posted online, MCHS must receive a signed permission form from the child's parent or guardian.
